Copy additional pages of this form as needed. For vending machines, use *Form 3 – Foods and Beverages Sold in Vending Machines*. For school stores, use *Form 4 – Foods and Beverages Sold in School Stores, Kiosks or Other School-based Enterprises*.

- Use one of the two options below for listing all purchased foods and beverages sold to students sold from other sources (e.g., culinary arts programs, family and consumer sciences classes, afterschool programs, and recipient schools under interschool agreements), including milk, juice, water and other beverages, snack items, baked goods, entrees, soups, cooked grains, fruits and vegetables, and all food items from other sources.
  - Option 1 (Preferred Method):** Print and attach to this form the appropriate pages of the Connecticut State Department of Education's (CSDE) [List of Acceptable Foods and Beverages](#), highlighting all foods and beverages that are sold a la carte in the cafeteria. If you use this option and the program sells any items that are not on the CSDE's list, you **must** list them on this form.
  - Option 2:** List below all purchased beverages and foods that are sold from other sources. Include all flavors/varieties of each item sold and list each flavor/variety as a separate item. For example, if the program sells sea salt pita chips and honey wheat pita chips, each would be listed on a separate line. Do not list items as "assorted flavors" or "assorted variety." Do not use abbreviations.
- Scan this form (with the appropriate lists of foods and beverages if using option 1). Name the file in this format: "<insert name of district>HFC FB List Other." For example, "ABC District FB List Other."
- E-mail to [susan.fiore@ct.gov](mailto:susan.fiore@ct.gov) by **November 30, 2016**. In the e-mail subject line, indicate "<insert name of district>HFC FB Lists." For example, "ABC District FB Lists."
